Sir:

This is in response to the "Raw Sequence Error Report" (copy enclosed) transmitted via facsimile to the applicant's representative on April 25, 2002 (copy enclosed). Accompanied herewith is a computer-readable and paper copy of a substitute Sequence Listing, as well as a "Statement pursuant to 37 C.F.R. §§1.825(a) and (b)."

In view of the fact that a due date for this response was not clearly indicated on originally faxed "Raw Sequence Error Report," the applicants submit that this response is timely filed. In the event that the Patent Office determines that a petition for an extension of time and a requisite fee are due, the Patent Office should consider this document as such a petition and any required fee related to this petition may be charged to our deposit account no. 13-2855.
